

### **Incorporation of the S.A. Colruyt Luxembourg**

On February 1st 2007 the N.V. Ets Fr. Colruyt, having its registered office in B-1500 Halle, set up a company called "Colruyt Luxembourg", whose registered office is located in the Grand Duchy of Luxembourg. The N.V. Ets Fr. Colruyt is the only shareholder.

The newly established company will allow us to enter the Luxembourg market (400.000 residents) through one or two test stores, this is the same approach we intend to use for the Dutch market.
