Publication of a transparency notification

(Article 14, first paragraph, of the Law of 2 May 2007 on disclosure of major holdings)

Summary of the notification

Pursuant to article 14 of Law of 2 May 2007 on disclosure of major holdings, Colruyt Group and its controlling shareholder Korys have submitted a notification to the FSMA.

This transparency notification dated 3 January 2022 indicates that, by virtue of the acquisition of Colruyt treasury shares by Colruyt Group until 31 December 2021 (cf press release repurchase of treasury shares issued on 4 January 2022) and the new denominator, Korys and Colruyt Group now hold a total of 55,04% of the voting rights of the company.

The previous transparency notification of 1 October 2021 indicated that Korys and Colruyt Group (Colruyt family and relatives, shareholders acting in concert, not included) held 54,05% of the total number of shares of the company. Following recent acquisitions of Colruyt treasury shares by Colruyt Group and by applying the new denominator, Korys and Colruyt Group (Colruyt family and relatives, shareholders acting in concert, not included) hold a total of 73.664.024 Colruyt shares as per 31 December 2021 and thus jointly represent 55,04% of the total number of shares issued by the company. Korys and Colruyt Group have therefore crossed a threshold of a multiple of 5%.

The new denominator of 133.839.188 shares takes into account the cancellation of 2.500.000 treasury shares on 7 October 2021 and the capital increase reserved for Colruyt Group employees, for which 184.228 new shares were issued on 15 December 2021.

This limited notification does not affect the existing agreement to act in concert between the Colruyt family and relatives, Korys, Colruyt Group. The company has no knowledge of other agreements between shareholders. The statutory thresholds per bracket of 5% apply.
