

**How do I verify my GDSN connection?**

## Short summary

This document describes how, as a company, you can verify whether you are connected to GDSN / My Product Manager (MPM) so that you can share your product information with Colruyt Group via the correct GS1/GDSN flow.

# 1. Verify whether your company is known in MPM

## 1.1. STEP 1 - Open the GS1 MPM Power BI report

Open the GS1 Belgilux MPM Power BI report, where you can find an overview of suppliers using My Product Manager (MPM): [Who uses My Product Manager? | GS1 Belgium & Luxembourg](#)

[Home](#) > [Helpcenter](#) > [Knowledge centre](#) > [Who uses My Product Manager?](#)

## Who uses My Product Manager?

Here you will find an overview of the different users of My Product Manager that you can use to check whether your trading partner is already known to GS1.

[Go to the report →](#)

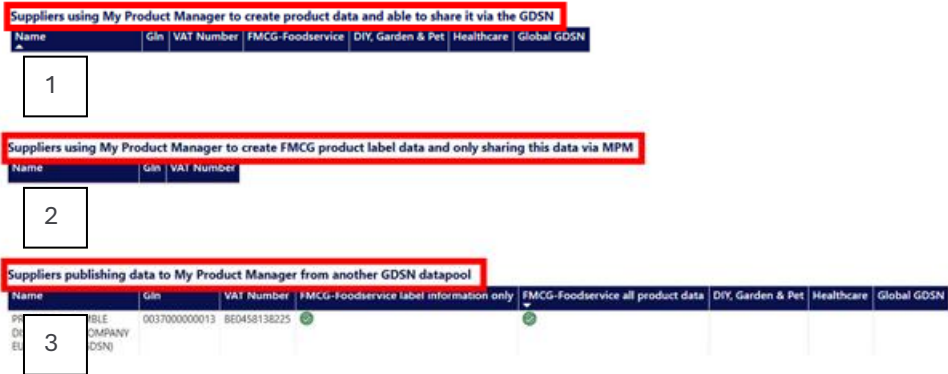

## How to use the report?

At the start, you will see lists of data providers. Use the filters 'Company Name' or 'Company GLN' to search specifically. The result will appear in one of the three tables, which, if necessary, also indicate in which sectors a company is active:

## 1.2. STEP 2 - Enter your company name, GLN and/or VAT number in the search bar

Name	GlN	VAT Number	FMCG-Foodservice	DIY, Garden & Pet	Healthcare	Global GDSN

### 1.3. STEP 3 - Review the result

#### MEANING OF THE 3 POSSIBLE RESULTS

##### 1. If your company name does not appear anywhere

>>> **Please contact GS1 Belgilux**

##### 2. If your company name appears in ...

	National Brand	Private Label / BULK / Fruit & Vegetables
1. Suppliers using My Product Manager to create product data and able to share it via the GDSN	OK	OK
2. Suppliers using My Product Manager to create FMCG product label data and only sharing this data via MPM	NOT OK	NOT OK
3. Suppliers publishing data to My Product Manager from another GDSN datapool	OK	NOT OK

**2 = NOT OK** Your profile is not compatible with GDSN  
>>> **Please contact GS1 Belgilux**

**3 = NOT OK** You are connected to a different GDSN data pool than My Product Manager  
>>> **Please contact GS1 Belgilux**
